

BERCOCUT® PRO 500

Soft, paraffin-free brass wire

- **bercocut®** pro 500 EDM wire is a soft, paraffin-free brass EDM wire
- Suitable for taper cutting
- Recommended for use on all machines
- Homologated for GFMS machines

Technical data

Core	CuZn36
Coating material	Paraffin-free
Tensile strength	500 MPa / 72,500 PSI
Elongation	15%
Color	Gold

Delivery program

Diameter [mm]	0.25
K160-Spool: 8 kg	●
K200-Spool: 16 kg	●
K250-Spool: 25 kg	●
