

BOLINE BRASS

Quality brass wire with good price-performance ratio

- Quality brass wire with good price-performance ratio for the price sensitive brass wire segment
- Designed by bedra Germany, manufactured according to German quality standards
- Hard and straightened brass wire for precise automatic threading
- Paraffin-free grade
- Recommended for all machine types

Technical data

Core	CuZn40
Surface	Paraffin-free
Tensile strength	1,000 MPa / 145,000 PSI
Elongation	1%
Color	gold

CuZn40
