

MICROCUT® BR

For standard applications in microerosion

- The **microcut®** BR EDM wire is suited for reliable finish processing with medium level requirements.

Technical data

Core	CuZn36
Tensile strength	1,000 MPa / 145,000 PSI
Elongation	1%
Color	Gold

Delivery program

Diameter [mm]	0.05	0.06	0.07	0.08	0.09	0.10
